PARTNERSHIP

Beira Aral has been part of the
Small Vineyards family since 2010.

Winemaking partners Thierry de Francisco and Pepe Alvarez have created a sensation in Rias Baixas with their one-of-a-kind, lush, mineral-laden Albariño. Having been mentored at large, prestigious estates, the two cut out on their own, bought a small plot of land, and are now enjoying making very limited cases of perhaps the best white wine in España's most acclaimed blanco zone.
